

To God Be the Glory [E]

[Default Arrangement] by Jordan Kauflin, Will Carlisle, Ben Shive

Verse 1

Who are we, that the LORD, would choose to go before us?
His mighty hand, and outstretched arm, have led us to salvation
From slavery to blessing, From famine to his feast

Chorus

To God, to God be the glory forever
For the works, he has done
For his goodness and mercy
To God be the glory alone.

Verse 2

Who are we, that the LORD, would call us to his kingdom
Those without hope, he made his own, the citizens of heaven.
From enemies to family, hostility to peace.

Verse 3

Who are we, to proclaim, the matchless name of Jesus
A priceless gift, to go with Him, wherever He may lead us
Now in our every labor, May Christ be on our lips
Our boast and our ambition, our song alone be this
